#### **NOTICE TO MEMBERS**

For instructions with regard to nominating a Candidate for office of Delegate for your Sub-district, see inside front cover.

# READ CAREFULLY

## To All Members:

This List contains the names of those who have signed the Second Series contract and whose land, according to our records, is situated in the Sub-district designated on the title page. Addresses have been changed in accordance with any notices sent to Head Office. If you have moved and have failed to notify Head Office, then your address in this List will be incorrect and you are requested to advise Head Office immediately of your new address and also the location (i.e. the section, township and range) of the land on which you now reside.

Several of our members have died during the past five years. In cases where Head Office has been advised of the death of any member, such membership is shown in this list as "The Estate of . . . . .", or is designated by an asterisk (\*) immediately after the deceased member's name. If any member in your district has died and his name is not so marked, kindly let this office know at once.

It is your privilege to select from this List the Member whom you think is best fitted to represent your Sub-district as Delegate to the Annual Meeting of the Association to be held next November. The Office of Delegate is a most important one. The Delegates are the Parliament of the Pool and should therefore be carefully selected. You will find a Nomination Paper on the inside back cover of this book. If you wish to nominate any member for the office of Delegate for your Sub-district write his name, membership number and address on the Nomination Paper, have the Nomination Paper signed by AT LEAST TEN Members in your Sub-district, secure the signature of the Member so nominated, in the place provided for his signature as candidate, and then mail it in sufficient time to reach Head Office not later than five o'clock in the afternoon of the 30th day of June next. Your attention is drawn to the qualifications of a delegate, as shown on the back of the Nomination Paper. Any number of qualified members in any Sub-district may be nominated. In case there is more than one member nominated in any one Sub-district the names of all candidates duly nominated therein in accordance with our by-laws will be placed on a ballot which will be mailed to every Member in that Sub-district not later than July 15th and the voting will be confined to the names printed thereon.

Sincerely yours,

*R. O. German*  
Secretary.
